*Archives staff will research a request for up to one hour in duration at no cost. Beyond one-hour, requestors are encouraged to conduct their own onsite access to archival records, with the assistance and supervision of archival staff. If self-research is not an option, you can contract archival research services.

Terms and Conditions

Permission

In purchasing a print, the researcher obtains permission for personal use only. Permission is not granted for further reproduction or for use other than that specified in the original photograph order.

Publication and Commercial Use Fees

The New Westminster Museum and Archives charges an additional fee of \$10.00 per image for photographs reproduced in books, magazines, calendars, catalogues, brochures, newsletters, commercial CD/DVDs, etc. All photographs must include the following credit as in: "New Westminster Museum and Archives, Photograph IHP 7698."

The New Westminster Museum and Archives reserves the right to refuse permission for photographic reproduction. Publication and commercial use fees are not required for research or private study, for use in theses or student papers or projects, for use by societies incorporated under the BC Society Act as a non-profit group or for use in local media (newspaper articles, community cable or TV news broadcasts).

Payment

All orders must be pre-paid by cash, debit, VISA or MasterCard.
